110		<b>Complete Bible Map System CD-ROM</b>	\$29.95													
		<p>This CD contains 10 PowerPoint presentations, 29 printable color classroom handouts, the Master Index, and 33 individual map plates that can be printed on Overhead Transparencies or imported into your own PowerPoint presentations.</p> <p>Also included on this CD is a complete master index listing every map place mentioned in the Bible, a 4-page Study Guide for the Journeys of Paul, and a history of Israel timeline wall chart.</p>														
109		<b>Paul's Journeys Overheads</b>	\$12.50													
		<p>This set has Bible places printed in black and modern day places printed in red for visual clarity. This four-panel, 8.5" x 11" set accurately displays every place mentioned in the Acts related to Paul's travels. The Roman provinces are clearly marked to help gain a better understanding of political aspects during the life and times of Paul. A study guide is included which lists each place visited, the major events that took place there, and the Bible references.</p>														
106		<b>Son Light Book of Bible Maps</b>	\$29.95													
		<p>This new spiral bound book of Bible maps lies flat for easier study. Each map is sized to a full page and printed with larger print. Maps are printed in color. Full page clear overlays with modern day countries and cities printed in red are bound in front of their corresponding maps of Bible times, allowing you to "place" Bible events in today's world.</p> <p>The book includes over 50 pages of maps, charts, study guides, and a Master Index listing every place named in the Bible. That's over 2,000 locations, including over 250 modern day place names!</p>														
104		<b>Bible Map Insert/Bible Atlas</b>	\$15.50													
		<p>This 40-page 5 3/8" by 7 3/4" insert attaches permanently in the back of your own favorite study Bible. It has a <b>Master Index</b> of over 2,000 entries - every map place in the Bible, together with over 250 modern day locations.</p> <p>Each map page has a write-on/easy-erase surface for locating and marking even those obscure places that are named only once in the Bible. Modern day overlays are bound into the booklet directly in front of each major Bible map, helping to relate Bible study to current events. The unique Bible locator grid not only pinpoints any place in the Bible, but allows you to quickly estimate distances between locations. It also has an optional, separate cover so the map set can be used as an atlas if you prefer not to place it in your Bible.</p> <p>This compact map insert includes the following maps:</p> <table border="0"> <tr> <td>Bible Lands</td> <td>The Wilderness Tabernacle</td> <td>Solomon's Temple</td> </tr> <tr> <td>Israel</td> <td>Paul's Journeys</td> <td>Herod's Temple</td> </tr> <tr> <td>Exodus</td> <td>New Testament Jerusalem</td> <td>Mid-East</td> </tr> <tr> <td>12 Tribes</td> <td>Modern Day Overlays</td> <td></td> </tr> </table>			Bible Lands	The Wilderness Tabernacle	Solomon's Temple	Israel	Paul's Journeys	Herod's Temple	Exodus	New Testament Jerusalem	Mid-East	12 Tribes	Modern Day Overlays
